

ICESTORM

OFFICIAL PRESS KIT

ICESTORM BEGAN ITS CAREER BACK IN 2006. IN THE BEGINNING, THEY PLAYED BLIND GUARDIAN, NIGHTWISH OR GAMMARAAY VERSIONS, COMBINED WITH SOME OWN SONGS. INITIALLY WE SANG IN ENGLISH, UNTIL "ULLALS DE SANG" CAME OUT, OUR FIRST CATALAN SONG THAT LED US TO THE RECORDING OF OUR FIRST LP, "CONTES DE LA VALL DE GLAÇ" ("TALES FROM THE ICED VALLEY"), WHERE WE COULD HAVE QUIM MANDADO'S VOICE (SANGTRAIT EX-SINGER) IN THE SONG ULLALS DE SANG. IN THIS ALBUM, POWER METAL HAS A GOOD PRESENCE, MIXED WITH SOME DEATH METAL AND A BIT OF CLASIC HEAVY METAL. DURING THESE YEARS WE'VE BEEN PLAYING IN CATALONIA AND VALENCIA AS WELL AS IN DIFFERENT SPANISH FESTIVALS. IN 2016 WE RELEASED OUR SECOND ALBUM, TERRES DE FOC (FIRELANDS) WHERE WE REACH A MORE CONSOLIDATE AND MODERN SOUND.

REMARKING "LLEGAT" (LEGACY) AND "TERRES DE FOC" AS MAIN PIECES.

WE ARE WORKING NOW IN WHAT WILL BE OUR THIRD ALBUM, WITH A MATURITY IN A PERSONAL AND MUSICAL LEVEL, THAT WE WANT TO REFLECT ON IT. WE'VE BEEN PLAYING ABOUT 10 YEARS, WITH MORE THAN 100 GIGS BEHIND.

TRACKLIST
